

Q1 Information and Honor Code

3 Points

In this assignment, you work through the Colab0 worksheet and obtain results from it. For each question box in Q2-Q5, you need to fill in a number, and only the fully corrected answer will receive 1 point. No late day is allowed for any Colab assignment.

Please verify that you have read the above instructions and the Stanford Honor Code and that you have not given or received unpermitted aid while completing this assignment.

If you have any questions about how the Honor Code applies to Colab assignments or other parts of the course, please contact the teaching staff for clarification.
